

In the Bubble  
My life is kind  
In the Bubble  
Within my mind  
In the Bubble  
Loose track of time

There isn't any trouble in my mind

In the Bubble  
My life is kind  
In the bubble  
I'm not behind

There's time to grow  
For time goes slow

My relaxation doubles in my mind

In the Bubble  
Floating free  
In the bubble  
Eternity  
In the bubble  
I rest alone

My bubble is my home

Within my mind
